SUPPORT A WORTHY ORGANIZATION

St. Anne's Mead has a rich, 52-year legacy of providing the highest quality care in a vibrant, interfaith setting. Please consider three opportunities to support us:

Our **Angel Fund** provides support for our residents' basic needs when they need it most, in times of economic hardship. This often happens near the end-of-life, when moving creates undue stress and even trauma. Help keep our residents in a home they know and trust.

Our **Memory Matters Capital Campaign** helped to create and develop our state-of-the-art memory care home which opened this year! We've raised 97% of our goal and we thank you! We are so close. Memory care is a great and growing need of our time, and we are providing the best care available.

Our **Life Enrichment Fund** was started by Marion "Mame" Jackson in honor of her mother, Virginia Jackson. The purpose of this fund is to help provide support for cultural and recreational activities for our residents.
