Join Our Board of Trustees

St. Anne's Mead

St. Anne's Mead, a Michigan nonprofit corporation providing compassionate health care and residential services to the elderly, is seeking new members for its Board of Trustees.

The role

This is an unpaid volunteer governance position, not an employment position. Trustees approve programs, policies, and annual budgets and provide stewardship of the organization's mission and resources. There is no compensation other than reimbursement of approved expenses.

Experience we are seeking

We are prioritizing candidates with professional experience in one or more of the following:

- **Finance, accounting, or nonprofit financial management**
- **Employment law**
- **Building, construction, or contracting**

Trustees may be asked to serve on a standing or special committee that fits their background.

Eligibility

To protect resident confidentiality, individuals who currently have an immediate family member (spouse or domestic partner, parent, child, sibling, grandparent, grandchild, or the spouse of any of those persons, or a household member) residing at or receiving services from St. Anne's Mead are not eligible for nomination. Eligibility begins one year after that family member's residency or services have ended. Individuals who currently have a family member or friend employed with St. Anne's Mead are not eligible for nomination. Contact us with questions about eligibility.

Terms

Trustees serve three-year terms. Terms for these openings vary by seat, and some appointees will complete the unexpired term of a departing trustee.

Selection process

Trustees are nominated and elected by majority vote of the remaining Trustees. Responding to this posting is the first step and does not constitute a nomination or appointment.
