St. Anne's Mead

Onward

2025 Was A Year of Moving Forward

In 2025, St. Anne's Mead did indeed bloom. The Mead Makeover, our multi-year campaign to renovate our Assisted Living home, closed out the year at 60% of its $400,000 goal. Our signature friend and fundraiser, Breakfast with the Bishop, added "Salute to Veterans" and became the largest event on record. Funds raised enabled us to modernize, refresh, and remodel.

A few of our 2025 completed projects include:

- Creating a bright new bistro and naming it after a major donor and long-term resident: The Toni LeBay Bistro. *(See photos page 5)*
- Refreshing our main dining room and adding technology for residents to view events, photos and menus. *(See photo page 5)*
- Modernizing our common area flooring throughout Assisted Living.
- Continuing to remodel our Assisted Living Resident Rooms with walk-in showers, new furniture and window dressings.

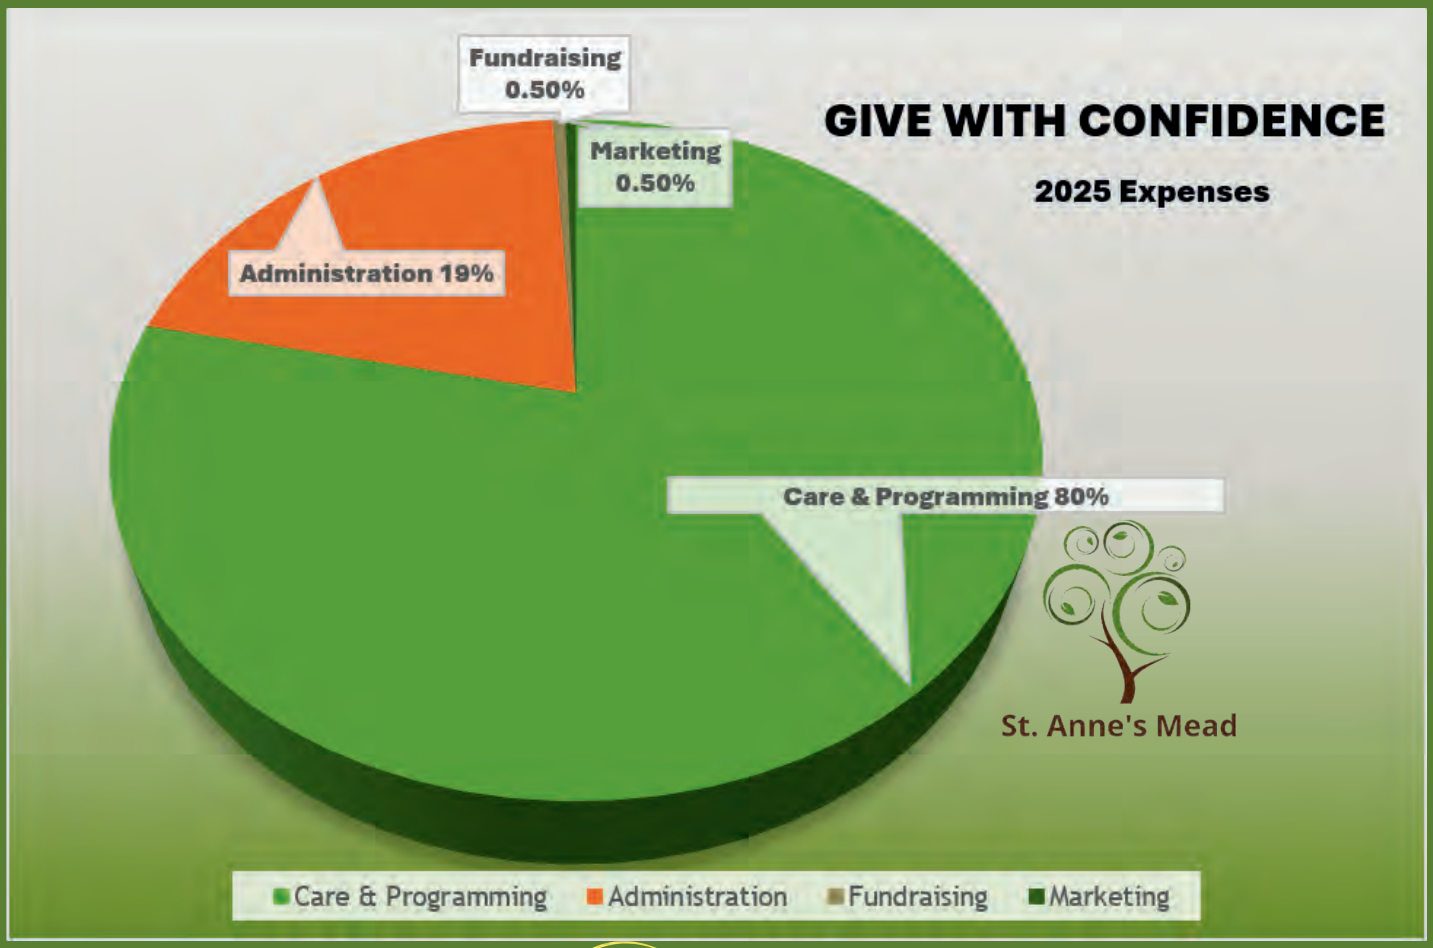

These essential projects help keep this mission-driven, non-profit organization competitive with the more than 40+ Assisted Living and Memory Care Homes in a 10 mile radius that are mostly "for profit."

Our Angel Fund helps our residents when they need it most, in times of economic hardship. The Angel Fund provided support for long-term residents in need, including a beloved Centenarian who lived with us for many years.

Key facts about our financials and fundraising:

- St. Anne's Mead spends $0.08 cents for every dollar raised. Charity Watch recommends spending less that $0.20 cents on every dollar raised.
- By all industry standards, St. Anne's Mead is an efficiently run non-profit, adhering to the 80/20 Rule.
- As you will see in the pie chart on page 4, our Program Expenses are 80% and Administration, Marketing & Fundraising 20%.

St. Anne's Mead Society

Members of the St. Anne's Mead Society are major donors who have donated a cumulative amount of $10,000 or more over five years.

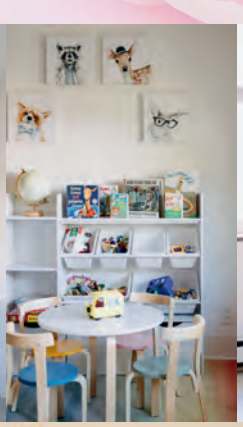

We are indebted to the St. Anne's Mead Society for continuously investing in the health and wellness of St. Anne's Mead and our residents, year after year.
